# STICKS AND STONES

Sticks and stones may break my bones  
but names will never hurt me.

And this I knew was always true  
and truth would not desert me.

But now I know it is not so,  
I've learned the other part;

For sticks and stones may break the bones  
but words can break the heart.

Yes, sticks and stones may break the bones  
and leave the spirit whole;

But unkind words can break the spirit,  
and silently crush the soul.
